Graphic Designer — Pre-Press & Large-Format Production

SUMMARY

Production-focused graphic designer with 5+ years of hands-on experience in pre-press, large-format print production, and brand-compliant signage design. Skilled across the Adobe Suite, CorelDraw, and industry-specific software (FlexiDesign/FlexiSign), with direct experience operating large-format printers, plotters, and routers from concept through final production. Comfortable owning a project end-to-end: client consultation, design, proofing, and production.

CORE SKILLS

Design Software: Adobe Illustrator, InDesign, Photoshop; CorelDraw; FlexiDesign / FlexiSign

Video Editing: BlackMagic DaVinci Resolve

Production Equipment: Roland VG2(3)-540 large-format printer, Versaworks RIP software, plotters, routers

Pre-Press & Production: Proof sheet creation, production-spec file prep, brand & regulatory compliance
