Sales & Team Leadership Professional

SUMMARY

Results-driven sales and team leadership professional with 5+ years of experience managing sales goals, budgets, staffing, and client relationships across retail and B2B production environments. Track record of early promotion, cross-location team management, and training staff across multiple sales and CRM systems. Brings a rare combination of consultative sales skill and hands-on production/design fluency, having managed client accounts from initial consultation through final delivery.

CORE SKILLS

Sales & Business Development: Consultative selling, quota attainment, attachment-rate/upsell strategy, new client acquisition

Team Leadership: Staff hiring & training, scheduling, budgeting, multi-location management

Account & Client Management: Requirements gathering, proofing/approval workflows, brand & regulatory compliance

CRM & Business Systems: ShopVox, ClickUp, SignTracker, Monday.com

Technical Fluency: Adobe Illustrator/InDesign/Photoshop, CorelDraw, FlexiDesign

PROFESSIONAL EXPERIENCE

Client Design Consultant / Pre-Press Designer — Motif Sign Group

Mar 2026 – Aug 2026

- Consulted directly with clients to translate brand and production requirements into proof-ready designs, managing revisions through final sign-off.
- Prepared and quality-checked production files for large-format printers, plotters, and routers, ensuring accurate, on-spec delivery.
- Tracked jobs and client communications through ShopVox (CRM/ERP) and Monday.com.

Graphic Designer / Client Accounts — MMD Signs, LLC

Dec 2022 – Mar 2026

- Partnered with clients to apply brand standards and navigate city/county signage regulations from concept through installation.
- Led production team members and operated large-format printing equipment to keep multi-client job queues on schedule.
- Managed client records and job tracking across ClickUp and SignTracker CRMs; built client websites via Wix and SquareSpace.

Administrative Assistant — Element Church

Jan 2022 – Oct 2022

- Coordinated logistics and vendor/customer-facing communications during a full church relocation, including finish construction and live Sunday production.
- Researched and implemented new administrative tools and processes to streamline day-to-day operations.

Wireless Kiosk Manager — Wireless Advocates

Nov 2017 – Mar 2021

- Drove cellular sales and service attachment-rate performance, consistently meeting weekly and monthly goals.
- Promoted within the first year; traveled in and out of state to stabilize and retrain understaffed kiosk teams.
- Managed budgets, scheduling, and maintenance while training staff on 5 distinct industry sales systems.

Paint Sales Associate — Sherwin-Williams

Feb 2017 – Nov 2017

- Delivered consultative product recommendations across a wide catalog, supporting the full sale from selection through close.
- Built repeat customer relationships through consistent, knowledgeable service.
